## **Mission Statement**

**The UTS North Sydney District Cricket Club (UTS NSDCC or the ‘Bears’) aims, through a quality structure and environment, to provide an opportunity for our cricketers to compete to their highest potential. The Bears provide a talent pathway all the way to Cricket NSW and ultimately Cricket Australia.**

**Our Mission is to:**

**Establish and maintain formal links with our community within our geographic zone on Sydney’s lower north shore;**

**Assist our cricketers through their development from entry level (Milo In2Cricket) through to Premier Grade Cricket;**

**Provide the best quality structures and training; and  
Develop the life skills of our junior members.**

## **Long Term Strategic Vision**

**The Bears have a long history and proud traditions and the Committee are committed to building on these solid foundations to enhance our sport within the community.**

**Our long term vision is to:**

- **Develop and nurture a greater number of first class cricketers;**
- **Provide higher quality facilities by working constructively with local council , the State government and Cricket NSW to prioritise resources;**
- **Expand our training, development and playing programs to engage a broader universe of cricketers including schools and girls/ women’s cricket; and**
- **Strengthen our community engagement.**

# President's Report

## Rob Lavery

2018/19 was a year of significant development and change for the UTS NSDCC Bears. On field, results were improved from previous seasons, particularly in our men's first grade side. Off the field, the club has established a structure to ensure fiscal and playing strength into the future.

### On the field

UTS North Sydney finished 12th in the NSW Premier Cricket club championship in 2018/19. First grade made the quarter finals of the one day competitions and stormed into third place by the end of the main competition. Rain ensured the team progressed to the semi-final, whereupon rain also scuppered the team's chances of progressing further.

Third and fourth grade made strong, albeit ultimately unsuccessful, tilts at the top six after slow starts to the season. Unfortunately the performances of the AW Green Shield and Podevin-Gray sides were not quite as strong.

Of great import in 2018/19 was the commencement of UTS North Sydney's women's cricket program. On December 2, the U18 Brewer Shield team took to the field against Sydney. The girls become the first women's team to represent this club in our 125-year history, and the first to represent the North Sydney area in senior competition in over 35 years. Coach Michelle Goszko led a young squad which developed remarkably over the course of the season.

### Major partnership

2018/19 saw the North Sydney District Cricket Club enter into a partnership with UTS. This partnership is a major benefit for the club, providing significant funding and scholarship opportunities, as well as access to resources and administrative support, that will allow the Bears to challenge the top clubs in the

NSW Premier Cricket and Sydney Women's Premier Cricket competitions.

### Financial support and sponsorships

UTS North Sydney retained major sponsor Access RnD as well as The Union Hotel and Hartford Partners in 2018/19 to help maintain the financial stability of the club. As well as this, UTS North Sydney acquired a media partner, The Brand Bar, as well as retaining a website partner, NgageCMS, to help promote the club professionally.

The club has received significant grant support from Cricket NSW, the Australian Cricketers Association, local and state government in 2018/19. Much of this support has been to improve infrastructure, such as sightscreens and net facilities, as well as to

financially support the launch of our women's cricket program.

Without the support of our partners, it would not be possible for our players to take the field and we are enormously grateful to all our sponsors and financial supporters.

### **Coaching structure**

2018/19 saw UTS North Sydney take significant steps in improving the coaching structure for our players. In the men's section, head coach, Jason Krejza, was now supported by two assistants with significant representative experience, Adam and James Crosthwaite. Oliver Knight took the reins as Green Shield coach and Todd Harper joined the club as training co-ordinator.

The Bears' women's Brewer Shield side was coached by another former Australian representative, Michelle Goszko. Michelle is one of the most respected junior women's coaches in Sydney and proved a major asset for UTS North Sydney's players, as well as the club.

### **Junior pathways**

UTS North Sydney worked to strengthen the pathways for local juniors, as well as UTS students, to represent the club at NSW Premier Cricket and Sydney Women's Premier Cricket level. Junior 7s tournaments, as well as regular midweek squad coaching for the North Sydney juniors, and provision of team coaches, ensures our club and players are visible to, and engaged with, those aspirational junior cricketers in North Sydney.

### **Administration**

2018/19 saw the departure of long term President, David Graham, as well as the Treasurer, Philippa Graham. Both contributed significantly to the club over the past 3 and a half, and one year, respectively.

This change has presented the opportunity for the club to engage new committee members, in Glenn Aitken and Sarah Berman, and establish long-term club members, in myself and Adam Wayling, in office-bearing roles.

### **Volunteers**

Club volunteers come in many forms, from the committee, to those who provide match-day management and support, to parents and families of players, as well as selectors, coaches and former players. The volunteer work undertaken by players themselves is also not to be forgotten. Great thanks to all those who contributed during the season.

### **Representative achievements**

- Justin Avendano - Sydney Sixers and Futures League, ACT/NSW Country
- Thomas Jagot - NSW 2<sup>nd</sup> XI – Metro
- Daniel Leerdam - Futures League, ACT/NSW Country
- Tim Reynolds - Northern Territory U19s
- Adam Cavenor - NSW Metro U16s
- Genevieve O'Brien - NSW Metro Academy 17 and under
- Amelia Sim - NSW Metro U15s and NSW Metro Sixers U14s
- Hamish Reynolds - NSW Metro Sixers Black U13s
- Grace Keating - NSW Metro Academy East U14s
- Talia Kapo - NSW Metro Academy East U14s
- Lucy Warren - NSW Metro Academy West U14s
- Elizabeth Buckley - NSW Metro Academy West U13s

### **2019/20 and beyond**

With the UTS partnership established, and our women's cricket program well underway, 2019/20 provides significant opportunity for UTS North Sydney to grow in size and success. The club's future is bright and it is well positioned to ensure long-term improvement in structure and on-field performance.

## Club Awards

**Access RnD Bradman Medalist**

**Adam Crosthwaite**

**Frank Punch 2nd Grade Player of the Year**

**Oliver Knight**

**Doug Cole 3rd Grade Player of the Year**

**250 Premier Cricket Wickets**

**Pat Lindsay**

**200 Premier Cricket Wickets**

**Sam Alexander**

**450 First Grade Premier Cricket Matches**

**Rob Aitken**

# Constitution

The NSDCC is governed under a constitution. Pursuant to the constitution the committee is charged with the responsibility of managing the affairs of the club including the delivery each year of the audited financial statements.

At the last general meeting we welcomed three new members to the Committee – Sarah Berman, Simon Jagot and Glenn Aitken. On behalf of the members I would like to thank these new committee members for devoting their time and effort to running the Bears.

In 2018/19 season the committee set out to ensure that it adhered to the following key principles:

- Transparency in our decision making;
- Accountability for our responsibilities;
- Democracy in decision making with committee members afforded the opportunity to test issues with rigorous debate; and the
- Financial sustainability of our club;

I am pleased to report that the committee has adhered to these key principles and we are much the better for that.

As a committee we continue to strive to improve both our processes and our outcomes. Over the course of 2018/19 the committee has worked hard to improve financial accountability, volunteer retention, revenue generation and resources. The ultimate goal of this work is to ensure the players have every opportunity to succeed when they take the field.

Management of the UTS North Sydney District Cricket Club is the preserve of every member of the Bears' community. The Committee appreciates the support of all those who are willing to give it, both formally and through less structured channels.

## Committee Attendance

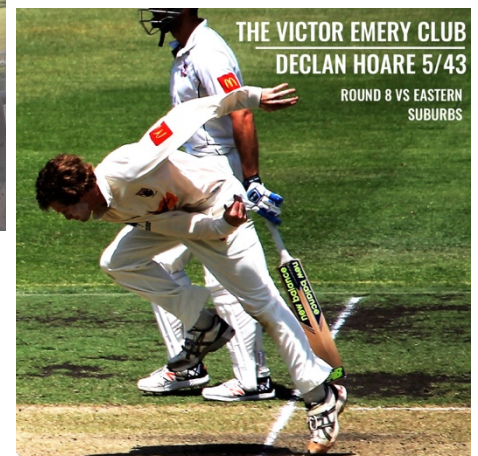

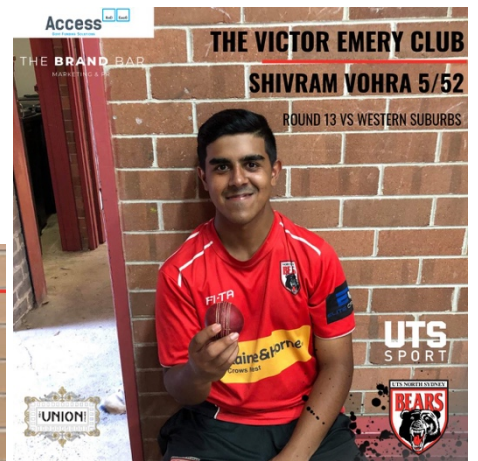

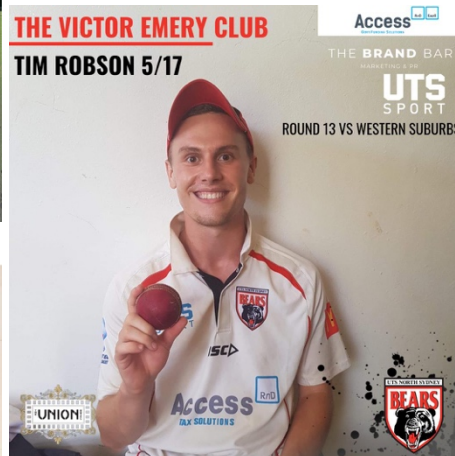

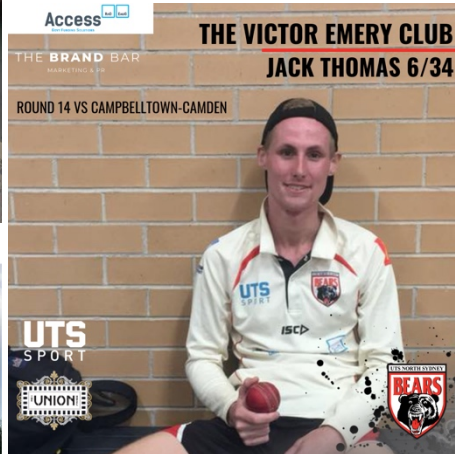

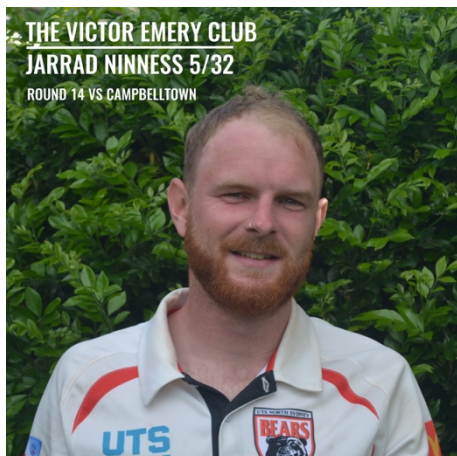

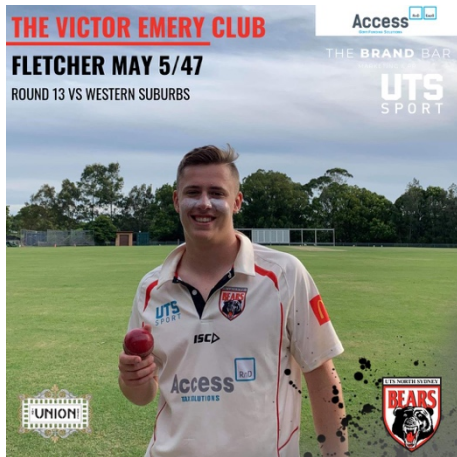

Rob Lavery – 100%

Simon Jagot – 86%  
Sarah Berman – 86%  
Glenn Aitken – 72%

# First Grade Report

**Justin Avendano**

The 2018/19 was a season to remember for the Bears. It started off with a few new additions to the 1<sup>st</sup> grade squad. James Crosthwaite, Adam Crosthwaite, Matt Alexander and Sam Alexander. James and Adam were appointed assistant coaches while Sam and Matt were in charge of bowling left handed, having luscious curly hair and providing a lot of the banter for the year. There was one more inclusion in pre-season by the name of Todd Harper. He might not have played but he was instrumental in the team and club moving forward.

A special mention must go to Thomas Jagot. Jages was appointed as captain a few weeks out from round one due to an injury. He not only lead with the bat but gelled the boys together and got us on a winning streak that couldn't be stopped. We got off to a great start winning round one against Blacktown with Adam Crosthwaite showing his class with a match winning 126\*. Unfortunately the early momentum was halted with a tough result against Penrith on a terrible wicket.

Round 6. What a round this would turn out to be for the mighty bears. An incredible bowling performance from the boys to knock over rivals Mosman for 193. James Campbell leading the way with 5 for 59. James bowled without any luck in the first few rounds but showed why he is one of the best fast bowlers in Sydney that day. The reason round 6 was such a pivotal part of the season is because we turned some tough loses and a close draw against Gordon into a dominant win against the whales. That win was the 1st of 10 in a row. We couldn't be stopped.

A few memorable highlights of the year:

Thomas Jagot and Adam Crosthwaite's record 260 run partnership to chase down Sydney's mammoth total of 383. I've never seen a batting display like it. Jages went to another level scoring 125\* and getting

himself into the illustrious 200 club. (200 balls). Adam once again showed why he is the best batsman in Sydney scoring 143\*.

Ben Bryant and Jages Partnership to get us over the line chasing 225 on a tough wicket against Manly. Thomas scoring an unbeaten 91 and Ben facing 212 balls for 70. Once again both boys showing their patience and will to win for the team.

Round 11 vs NDs. It was the hottest day I've ever played cricket in. The heat hovering over 40 degrees most of the day. Jages once again lead with the bat scoring 114, but it was time to shine for our big-toed fast bowler Matt Alexander. For a guy who works on the tools all week, the way he then delivers with the ball week, in week out is truly amazing. His accuracy is phenomenal bowling left arm Mitchell Johnsons around the wicket. His reverse swing cleaned up most of the NDs batsman and his final figures were 5 for 28 from 9 overs.

James Campbell taking 5 for 64 against Campbelltown. But these figures don't tell us the real story. He had figures of 4 for 8 having cleaned up the top order of the ghosts which almost single handedly won us the game of cricket. They couldn't recover from 7 for 30.

Who could forget the day out Rob Aitken and Adam Crosthwaite had against Illawarra in T20 at North Sydney Oval? Adam blasting 124 with 14 fours and 6 maximums. Rob showed he is still to be reckoned with, taking 5 for 20 at 65 years old and bamboozling the top order with his mystery spin.

The season came to an end in disappointing fashion, getting washed out in a tight game against Penrith in the semi-final. We were always on the back foot after Penrith received a downfall of about 2mm worth of rain the night before, which overflowed the Nepean River causing mass flooding to the surrounding suburbs and halted play until late afternoon due to wet run ups. In all seriousness both clubs tried their best to get play underway but the ground was soaked.

The team achieved so much this season. Going from winning just 2 games the previous year to winning 10 in a row is something special. A year I will never forget. We sadly say goodbye to Adam and James Crosthwaite for the upcoming season. Adam is probably thinking about getting on one knee soon so has decided to move closer to his family back in Melbourne. James is doing the opposite, moving to the UK indefinitely with his girlfriend, enjoying the social life and smacking cricket balls everywhere. The club can never repay what they have done in such a short period of time. We wish them all the best with what lies ahead.

### **Ben Bryant**

Ben started the year off in great fashion scoring multiple 50s early on. Ben consistently got the bears off to strong starts opening the batting. His wicket is never given away cheaply. I believe he's going to have a breakout year shortly. Ben's temperament and technique is going to hold him in good stead for a long time.

### **James Crosthwaite**

James is one of the most talented batsmen I've ever seen. He has the best straight drive in Sydney and moves like a gazelle behind the stumps. James' keeping all year was incredible. He had many individual highlights throughout the year with the bat. Scoring quick-fire 50s and closing out tight games. It's not going to be the same without you.

### **Thomas Jagot**

What a year for Tom. Captained more than half the games for the year and showing NSW that he is one of the best young batsman in the state. James scored almost a thousand runs with 3 hundreds and 4 fifties. James has been very consistent the last few years for the bears but broke through this season. His determination and work ethic all year showed everyone what you have to do to be at the top of your

game. Another year like the last will have him signing a state contract. I have no doubt he will.

### **Adam Crosthwaite**

Where do I start. Adam became a mentor for me early on without even knowing it. He did the same to so many of the batsman at our club. He amassed over 1100 runs for the year. Scoring 5 hundreds and 4 fifties. He brought a 1<sup>st</sup> class attitude to the bears this season. What Adam does on the field is simply amazing but it's the work he does off the field which is even better. It's extremely sad to see him and his brother leave the bears after a dominant year. I wish you all the best and hope to see many more hundreds in Melbourne.

### **Rob Aitken**

Once again Rob showed all his skills during the season. Finishing with 274 runs at 27 and 26 wickets at a very impressive average of 22. No matter what the situation, you can always rely on Rob to get the job done. Multiple times he saves an innings in the middle or takes the vital wicket to break a partnership. Rob continues to show age is no barrier. He still has a few more good years in his legs which will hopefully see him break every record there is.

### **James Aitken**

Unfortunately James' season was cut short with a broken figure late in the season. It might not have been his season with the bat but he proved his skills with the ball are just as good. James finished with 14 wickets at an average 18. James is a great bowler to have in the team because he knows what his limits are. He never strays away from his line and length, and is forever patient, which brings wickets. I would hate to face him in a game.

### **Ryan Van Kemenade**

Ryan had a tough season, never fully hitting his potential. Ryan found himself batting in tough

situations in the game, which didn't allow the team to see what damage he can do. Ryan's season was also cut short due to an unscheduled rest earned in a match in Newcastle. Hopefully Ryan can return to the bears with some motivation to prove that he is to be feared in the Sydney competition.

### **Matt Alexander**

What a player. After some injuries to our batsman late in the season we were in need of an opening batsman. Matt was not forced to open but took it upon himself to put his hand up and get the job done. Matt opened the batting in the semi final and faced nearly 70 balls against some of the best bowlers in the comp. This shows the kind of person Matt is. He will do the hard work and always put the team first. Matt would have to be one of the most underrated bowlers in the comp. Any Big Bash franchise would be lucky to have someone with his skills. His one day and T20 bowling is incredible. Matt finished with 30 wickets at an average of 19. Other than his big toe and his brother, there's so much to like about this guy.

### **James Campbell**

James once again had another standard year taking 37 wickets at 20. I personally think his bowling went to another level this season. His patience with the rego ball was outstanding. James consistently bowled long spells with the new ball proving to be one of the best opening bowlers in the comp week in week out. James took two 5-fors and another two 4 wicket hauls. I pray for James's sake that the competition keeps the rego ball in play for many more years.

### **Toby Lester**

After 3 seasons at North Sydney we finally got a bite out of him. Our token Englishman bowled without any luck all year, taking 11 wickets at 45. He consistently beat the bat and proved too skilful for a lot of batsman. He is a tremendous team man and I hope to see more of him hopefully in Australia, but more importantly on the big screen for England. His red ball skills are phenomenal. I would not want to face him with a Duke. We wish him all the best for his cricketing career. It's a bright one.

A special mention must go to our volunteers. Without them this team is nothing. Cathy and Rod Campbell for all the food and game footage. Tony Johnson for all the amazing photos. Mark Bryant for consistently running drinks taking time away from his Saturday naps on the hill. For a guy who works in the office all week he has the best tan in the club. The Van Kemenades for getting Ryan to every game and helping out with lunch and teas every week. Your work does not go unnoticed. Jason Krejza for been a great coach to the first grade team and the club. And, of course, our bald nudist, Todd Harper. Todd's work every week is simply incredible. Always putting the team first. I've never seen someone with his passion for a club. Without him the team wouldn't be in the place it was. We are all very thankful for your work.

I don't want to forget about Tim Reynolds, Jake Hardy, Olly Knight, Sam Alexander, Declan Hoare and Will Graham. All these men came into the first grade side throughout the year and did amazing things. All these players are the future of our first grade side. I'm looking forward to their progress this winter so they can hit the ground running round 1.

# Second Grade Report

**Glenn Aitken**

## Season Summary

- Highest team score of 348 against Gordon
- Highest second grade competition 4th wicket partnership of 160 runs - George Lavelle & Adam Wigglesworth vs Mosman.
- Ali Shaikh finishing the 12th highest wicket taker in the second grade competition
- Second grade centuries
  - 153 - George Lavelle vs Mosman
  - 131 - James Leary vs Western Suburbs
  - 118 - Jake Hardy vs Sydney
  - 117 - Oliver Knight vs Northern Districts
  - 101no - James Aitken vs Mosman
- Best batting - Tim Reynolds 367 runs at an average of 40.78
- Five wicket hauls for our bowling unit
  - 5-43 Declan Hoare vs Eastern Suburbs
  - 5-84 Niranjan Naguleswaran vs Western Suburbs
- Best bowling in a match
  - 6-62 (3-23 & 3-39) W Graham vs Campbelltown-Camden
- George Lavelle taking 20 catches and two stumpings
  - Third most dismissal in second grade
  - Taking four catches in an innings twice

It was a positive season for the UTS North Sydney District Cricket Club Second XI. The team played a high standard of cricket throughout the year. The season consisted of 15 matches, resulting in six strong wins on the first innings, one draw and eight losses. A reasonably balanced tally of results. Unfortunately the side finished in 14th position, underperforming considering the developing talent available.

Twenty eight players represented the club in second grade during the season. The side consisted mainly of

young players, but there was a sprinkling of experience which resulted in an ideal environment where a team could expect to give a good account of itself. The second grade side, when at full strength was equal to the best sides in the competition. The narrow loss against, eventual premieres Sydney University, was a reflection of this.

The talent and skills on show in second grade is best verified by the amount of significant milestones achieved. Many players joined the ranks of the Austin Punch and the Victor Emery Club. Moreover, five different players scored hundreds and two took five wicket hauls this season.

The selectors focused on giving opportunity to the youth of the club and the season saw the development and improvement of many players. Adam Docos, Adam Wigglesworth and particularly Bennett Walsh and Ali Shaikh took their opportunities and realised some of their potential. I hope this continues through to next season.

The debuts of Sam Alexander, Jake Hardy and James Leary were also impressive. Each demonstrating great maturity and determination. Their efforts were match winning and they are players of great promise. I look forward to seeing them take their opportunity to play higher honours in future years.

Additionally, Oliver Knight, Sam Alexander, Declan Hoare, Tim Reynolds, Jake Hardy and Will Graham were rewarded with promotions to First Grade due to their results. This speaks of the type of cricket that was a feature of many second grade matches.

The season was very enjoyable and it was a pleasure to captain the second grade team. All members of the side were genuine, focused and gave their best efforts. The team spirit and camaraderie was excellent. The team fostered an environment of support and accountability, where players thrived support of one another and celebrated each others' successes. We came together and did battle every

week as a cohesive unit. The players committed to help one another improve and became better cricketers for doing so. Improved training was a highlight and I hope to see more of this in the future.

Many thanks to the team for their help and support throughout the season. Scoring and other responsibilities were often shared by all players. Lunches and afternoon teas were quality this season as well. Special thanks must go to Declan Hoare and Pat Lindsay for their help, particularly in regards to the practical considerations of game day.

I look forward to next season and it is essential that second grade builds on this season's success in 2019/2020.

## **Personal pars**

### **Sam Alexander**

Making his debut for the Bears this season, Sam made an instant impact with his cricket and his personality. A source of energy and entertainment with a penchant for elaborate self-deprecating personal stories. However, his best contribution was with the ball. Sam's left arm finger spin was a pleasure to watch. He showed great improvement throughout the season and deserved his promotion opportunities. Sam peaked at the right moment, with an outstanding spell of 4/19 against Bankstown. I look forward to seeing his control and variation improve as he grows in confidence and listens to the positive 'voices'. He will undoubtedly 'rattle' many future batsmen.

### **Adam Docos**

Adam is a gritty opening batsmen who is extremely strong on the legside and through point. He also focused on expanding his offside array of shots. Adam is always willing to support his team mates and work hard in the tough times. He was often called upon during vital moments in matches and was often up to the task. Adam's highest score of 72 was crucial in ensuring a victory over Gordon. However, his biggest contributions to the team were in his running of the warm up, unpredictable banter and his surprising

fitness. Adam's impressive cardio was evidenced by the amount of additional kms he walked in the field, to talk to teammates in between balls. He is encouraged to mark his fielding position and I look forward to seeing his game continue to develop next season.

### **Declan Hoare**

Declan is a club stalwart and ever reliable bowler who continues to get better with experience. He formed the backbone of the second grade bowling unit and is a great role model for players in the team and club in general. Declan's 5/43 against Eastern suburbs, broke the back of their batting line up and ensured a great win. He is also a very handy lower order batsman with many valuable innings. His experience and contribution to the side is immeasurable, often giving great strategic advice and encouragement. He always puts the team before his own personal achievement. A true 'doyen' of the club.

### **Oliver Knight**

Oliver is a dynamic player who is blossoming into a formidable all-round cricketer. He averaged 40.71 with the bat and exhibited his versatility with the blade. His aggressive long ball hitting was complemented by patience and determination this season. He scored a measured 117 on a seaming No2 deck against Northern Districts, to post a winning total. He also averaged 29.47 with the ball. When his line and length are on, he is a wicket taker and competent proponent of seam and reverse swing. His season best of 4/45, against second grade premiers Sydney University showed his class and destructive capabilities. Oliver is also a great fielder who has a safe pair of hands. He was acknowledged for his efforts and skills with a well-deserved promotion to First Grade, where he was part of the finals team.

### **George Lavelle**

George was our outstanding English overseas player from Liverpool. He was a tremendous acquisition for the team. He is an excellent cricketer and even better young man. His diligence and commitment to his training was admirable. George was the epitome of

what hard work can produce. He had a fantastic season debuting in Australian conditions, scoring plenty of runs and starring behind the stumps. He is one of the best keeper I have seen in my experience. George took 20 catches and two stumpings. This was the third most dismissal in second grade. He also took four catches in an innings twice. However, George's season highlight was his chanceless 153 against Mosman. It was a knock of finesse and power. He will undoubtedly go on to higher honours. We thank George for his contribution and look forward to following his future success.

#### **Niranjan Naguleswaran**

Niranjan is a professional cricketer in all respects and he knows his game well. He is an all-round cricketer, excelling with ball, bat and in the field. His stylish and fluent off-spin bamboozled many batsmen. He was metronomic with his accuracy and has beautiful shape to his deliveries. His 19 wickets at 23.16 are testament to his mastery of slow bowling. He was vital in changing the momentum of many innings and could be counted on to make breakthroughs. His game winning 5/58 against Western Suburbs was a season highlight. Niranjan is a cricketer of great skill, who undoubtedly has the ability to play at higher levels. Second grade was fortunate to have him play a significant amount of the season.

#### **Tim Reynolds**

Tim is an extremely talented cricketer. He has devastating power and impact when at the crease. His batting always looked dangerous to the opposition. A powerful driver of the ball, he broke the spirit of many spinners as they watched many balls sail over the fence. He has grown in confidence this year. Tim looks extremely comfortable at this level. He scored 367 runs at an average of 40.78. His 76 runs against Parramatta was his season's highest. Tim needs to ensure that he capitalises on his ability and goes on to score large hundreds. He is also very handy in the field and is always willing to work hard for the team. He will undoubtedly go on to play higher levels of cricket and will form a crucial part of the future of the club.

#### **Ali Shaikh**

Ali is a potent bowler, with a slinging 'malinga' style action, who had a successful season with the ball. In his first full year in second grade, he can be proud of his achievements. Always a wicket taking option, who can destroy a batting order tail, he grew as a bowler every match he played. Ali finished the 12th highest wicket taker in the second grade competition, taking 25 wickets at an average of 28.12. His 3-28 against Bankstown was particularly impressive. Ali is encouraged to keep refining his accuracy, control and have confidence in ability. He is also a competent batsman and improving fielder. It was a breakout season for him and I look forward to his continued improvement as he continues to work on all aspects of his game.

#### **Bennett Walsh**

Bennett is a dedicated batsman and fielder with a lot of natural ability. He was unfortunately hampered by injury this year, however, he managed to make a strong comeback and performed admirably. Bennett kept scoring runs and finished positively at the end of the season. Hopefully he will carry this momentum through to next year and start just as strong. His achievements are a testament to his character and tenacity. His season highest score of 52no against Western Suburbs was essential in chasing down a large total 307, where he guided the team home. He is a fine ambassador of the club who goes about his game with quiet dignity. He is a great asset to any team and I look forward to following his future achievements.

#### **Adam Wigglesworth**

Adam is a keen and driven higher order batsman with enormous potential. His batting always looks naturally stylish and fluent. He is maturing and growing in confidence and is not far away from making a break-through to convert many of his great starts into significant scores. His season highest score of 42 against Manly-Warringah highlighted his ability. He is also an exceptional fielder in any position. Adam is also a legitimate bowling option

offering variation as a leg spin bowler. It is essential that he maintains his focus on this aspect of his cricket as he will undoubtedly improve in time. His 2/42 against Blacktown is indicative of the talent he has. I look forward to following his future achievements and success.

**Also played:** J. Aitken, R. Alexander, D Barber, J Hardy, J Leary, P Lindsay, C Lloyd, F May, H May, J Ninness, T Robson, A Shirazi, R Shirazi, A Singh, J Thomas, D Thorat

# Third Grade Report

**Patrick Lindsay**

3<sup>rd</sup> Grade had a largely successful season in 2018/19. Finishing 8<sup>th</sup> and having a chance in Round 15 of playing finals is a vast improvement on 16<sup>th</sup> place finish in season 2017/18. Furthermore, it is of note that the team's points haul in 2018/19 was over double that in 2017/18.

Notwithstanding the progress made, there is a tinge of regret that the good play evidenced throughout the year did not result in a finals appearance. A couple of close losses ultimately cost the lads, but they can be proud of their efforts throughout the season.

In Round one the Bears headed to Whalan to take on Blacktown. Blacktown batted first and got off to flyer, a partnership of 112 that was the telling factor in the game. The Bears were poor with ball in hand, in the field and tactically. Ben Knox was the pick of the bowlers with 3-46, as Blacktown posted 8-249 - a match winning total on such a large ground. The Bears were never in the chase with James Leary showing great determination in his 58\*, as the Bears limped to 8-164.

Round 2 saw the Bears in the winner's circle. In truth the side profited from the better of the conditions and 1<sup>st</sup> Grade Quick Olly Knight returning from injury in 3<sup>rd</sup> Grade. Olly contributed with bat and ball getting a handy 32 at number 5 and then a match defining 4-34 with the ball. The Bears posted an under par 192 batting first, however, skittled the Panthers for 144, of which their opener amassed 84 and was the key wicket, taken by Fletcher May, who celebrated accordingly.

Round 3 saw the Bears lose in a thriller vs Randwick-Petersham at Bon Andrews. The Bears bowled RPs out for 194 (R Alexander 4-35 P Lindsay 3-29) and were on track to chase this down until the weather intervened, forcing the boys to hit out to get ahead of

the run rate. James Leary continued his strong early season form with 47.

Losses to Gordon and Sydney Uni followed with Adam Wigglesworth's 126 vs Gordon the only highlight of note. The Bears returned to winning ways vs Mosman chasing down 259 on the back of a superb knock of 70\* from Rafay Shirazi. However threes were unable to gain any momentum with a soft loss to Sydney at Birchgrove followed by a draw against the eventual premiers, Easts, where the weather, and a brilliant Jake Lintott celebrity knock of 93\* bailed the side out.

The side returned from Christmas revitalised and kicked things off with a strong win against Parramatta on the back of a gutsy 100\* from David Barber and a disciplined bowling performance. The Bears then lost two thrillers, going down by a run against Manly in round 10 and a wicket against NDs in round 11.

Ultimately these two losses would prove crucial in the wash up, as the Bears hauled themselves into finals contention, winning Round 12 comfortably vs UNSW, then recording back-to-back outright victories vs Wests and Campbelltown.

This left threes needing a win in the last game of the season at home vs Bankstown. Sadly Bankstown played the better cricket and prevailed comfortably. The boys showed Great Spirit throughout the season and we can look ahead to season 2019/20 with optimism.

# Fourth Grade Report

**Tim Robson**

In line with the positive growth that the club has seen over the 18/19 Season, 4<sup>th</sup> Grade improved five spots from last year to settle in a mid-table finish of 10<sup>th</sup>. We came into the season with a real mix of younger guys, surrounded by wily (and often loud) veterans.

Wins against Randwick Petersham, Gordon, Parramatta, Bankstown, Wests and Campbelltown-Camden shone amongst some salvaged, but frustrating draws against Sydney, Easts and Penrith.

A common factor all year was the strength and consistency of the bowling unit. What the guys lacked in pace and spin, they made up in skill and patience. Harrison May (14 wickets @ 15), Isaak Merlehan (14 wickets @ 11), Ben Knox (12 wickets @ 16), Tim Robson (18 wickets @ 18), Nuwan Whyte (14 wickets @ 10), and Gurnoor Singh (14 @ 10) made up a balanced bowling attack. Every bowler was able to contribute when called upon: many coming up from 5<sup>th</sup> Grade, and others coming down from 3<sup>rd</sup> grade, with a 'next man up' approach. Jack Thomas, Fletcher May and Rashedul Hasan also had some real impact and match defining performances when playing.

Bowling highlights: Harrison May (4/13) and Tim Robson (5/17) bowling Wests out unchanged for 32. Jack Thomas (6/34) vs Campbelltown-Camden.

We were unfortunately unable to capitalise on many batting platforms, and found ourselves falling short

of runs when it mattered most. Special mention to Cam New (163 @ 27), and Adam Cavenor (347 @ 26 and the player of the season) who solidified the top and set countless platforms. Ensuring we bat deep will help push this team to the next level and compete for finals. Mention also must go to Ray Alexander for his maiden hundred for the Bears.

Batting Highlights: Ray Alexander 104 vs Wests. Cam New 86\* vs Easts.

From an all-rounder perspective Lachlan Cork and Lachlan Stewart were regular contributors. Both men of immense ability, turning starts into big scores will help solidify the middle order, and push their cases for higher honours.

All-rounders Highlights: Lachlan Cork 68 against Parramatta and 1/36 (including defending the final over)

While 10<sup>th</sup> is a fair reflection of the up and down nature of the year, there is no shortage of positives. Back-to-back outright wins at Tunks Park, (which long-time groundsman Bernie doesn't think he has seen before), the young age and hunger of the team, I have no doubt that finals is round the corner. A huge thank you must go to all the coaches, committee members, and volunteers at the club this season. Your efforts ensure the season runs as smoothly as it does. This being my first season, it was hugely enjoyable to be part of such a good culture and positive vibe around the club.

# Fifth Grade Report

## Fudge Atshan

It was an up and down year for the UTS North Sydney 5<sup>th</sup> grade side. A very promising start to the season with some big wins, including a comprehensive outright victory against Sydney CC, had the side bouncing around the middle of the table for most of the season. Unfortunately, a poor finish to the season saw the side end up 16<sup>th</sup> overall with a 4 win, 2 draw and 9 loss record.

In the end 41 players kitted up for the UTS North Sydney 5<sup>th</sup> grade side throughout the season which is great from an exposure point of view but with such a turnover of players it can be very tough to form a tight bond with your teammates as the season progresses. In saying all that, there were some outstanding performances throughout the season and some players of the future emerged that will hopefully kick on to higher grades next season and become future UTS North Sydney Cricket Club stars.

The main strength of the side all year long was the bowling. Our bowling line up was one of the strongest in the whole comp with multiple bowlers taking bags of wickets throughout the year. Young guns Shivam Vohra, Sol Balbi, Izaak Merlehan, Adrian Perera and Harrison May where the main cornerstones of the attack and all five players have bright cricketing future ahead of them.

Batting was where this side struggled and inconsistency with the bat ultimately lead to our downfall in many games. Some stand out performances with the bat included Michael Lloyd

with 323 runs @ 53.83, Grant Jansson with 237 runs @ 39.50 and Keith Lawrence with 230 runs @ 46. Young guns Aditya Nigul, Finn Nixon-Tomko, Charlie Rose and Liam Mason also showed a lot of promise with the bat and the club will hopefully see all four back next season performing at an even higher level.

All in all, considering the youth of the squad and some of the high level performances that were produced throughout the season, I feel 2018/19 was a great building block year for the club and I am confident that 2019/20 will be far more successful performance wise because of it.

# Brewer Shield Report

**Michelle Goszko**

Season 2018/2019 was a history making one for UTS North Sydney as we entered the first ever Brewer Shield side into the Sydney Women's Premier grade competition. This was an extremely important step in ensuring that the Bears were represented in both the female and male premier competitions in Sydney.

We had a tough but fun first season and learnt over the season, how to play some fantastic team cricket and we even reached our highest score on the last game! The way that the whole squad celebrated our skipper Genevieve hitting the boundary to bring up our highest team score epitomises what the Bears are about and celebrating each other's success is why there is such great culture in the squad already. I can't wait to see how much improvement the squad can make with a full pre-season under our belt!

A big thank you to UTS for their support of this program, especially Sam and Amy and all of the girls in the UTS Sport office. They are all legends. Without their support, none of this would have been possible and I know all of the girls really appreciated your support.

Also thank you to firstly Dave Graham and Keith for getting me involved in the Bears. Your vision and expertise in identifying that the female playing space for UTS North Sydney had room for improvement showed great leadership.

Thank you to Rob Lavery our president extraordinaire. Without your support Rob, none of this would have been possible and on behalf of the parents and players we sincerely thank you for all that you have done.

Last but not least a big thank you to all of the girls and their parents for believing in the Bears and the commitment and passion shown throughout the season. Jacqui Eyles did a fabulous job being our

manager and made my job so much easier. I can't wait to see where we can take this team next year. Let's go get them girls.. Grrrrr...

**Genevieve O'Brien**

Our captain courageous. Genevieve was only one of 2 players who had played Brewer Shield before and she did an outstanding job captaining the team and leading the way. GG was our leading run scorer for the season, whilst also bowling some fantastic leg-spin and being the wicket-keeper every now and then. A true all-rounder! A great culture begins with great people and GG was front and centre with this in creating a fun and trusting environment. A pleasure to coach and improvement and effort was rewarded with selection in the CNSW U17's Metro Academy. I can't wait to see the great cricket GG brings next season.

**Amelia Sim**

Amelia was our other player who had Brewer Shield experience and as such provided a level head for all of the players. Amelia was our 2<sup>nd</sup> top wicket-taker for the Bears and got even better as the season progressed. She also scored some handy runs and I can't wait to see bigger and better things from Milly next season! She has some great potential and I expect her to be pushing into the top 10 bowlers in Brewer next season. The sky is the limit for Milly and she again will be one of our leaders next season. Milly was also rewarded with selection in the NSW U15's Metro State Squad.

**Grace Keating**

This was Grace's first year in Brewer and for someone who was 12 years old and taking on much older girls, she never once took a backward step. She actually loved the challenge of opening the batting against NSW rep players. Our 2<sup>nd</sup> highest run scorer, who also picked up some handy wickets, Grace was also a demon in the field and always put her body on the line for the team. She has enormous potential and this was

rewarded with selection in the CNSW U14's Metro Academy squad.

### **Lucy Warren**

Another 1<sup>st</sup> year player to Brewer, Lucy had a fantastic year and really improved over the season. Lucy bowls a fantastic outswinger and picked up some crucial wickets for us and contributed some more than handy runs for us. A great team player and always gave 100%. Her potential was rewarded with selection in the CNSW U14's Metro Academy Squad.

### **Liz Buckley**

Liz was our youngest player making her Brewer Shield debut at the ripe old age of 11! Liz was always up for the challenge and I'm really proud of the way she never took a backwards step. She has some serious potential and I can't wait to see where she can take her cricket next season. One to watch for the future. And she makes a mean banana bread!

### **Leela Uthappa**

Leela's 1<sup>st</sup> year in Brewer was full of bravery and some very good performances. One of the hardest trainers in the side, Leela was always looking to improve and this made her very easy to coach. She did a fantastic job opening the batting at times and her running between the wickets was exceptional. Leela also bowled some great spells and was one of the best fielders in the side. One of the best team players you could ask for.

### **Saskia Jenkins**

Yep, another 1<sup>st</sup> year player to Brewer. Saskia came into our squad a little later into the season but she made an immediate impact as soon as she did! Very athletic, she added a new dimension to our fielding and also was one of the most reliable bowlers of the team. She can also smash the ball out of the park with ease. Another one I am looking forward to seeing next season after a full off-season.

### **Talia Kapo**

Talia also had her 1<sup>st</sup> year in Brewer and did a great job, whenever she was asked to bat or bowl. She has some great potential, and I know that we will see all of this potential next season. Talia's fielding really improved over the season and she always put the team first, which as a coach is all I can ask for. Talia was also rewarded in selection in the CNSW U14's Metro squad.

### **Chole Day**

Chloe, over the course of her 1<sup>st</sup> season in Brewer, was probably the most improved out of the whole squad. Her bowling got better and better and her fielding output from the first couple of games to the last were like chalk and cheese. Another player who is very easy to coach and just wanted to get better. I can't wait to see Chloe play another year in Brewer and see even more improvement!

### **Anjali D'Cunha**

Anjali was our most consistent bowler over the season for the team and for someone who hadn't played Brewer before she did an exceptional job. She might not have picked up a stack of wickets for her efforts, however she created chances for the bowlers at the other end and bowled an exceptional line and length. Her batting and fielding also improved over the season and she always played her cricket with a smile on her face and was a great person around the team.

### **Caitlyn Thomas**

Yet another newbie to Brewer, Caity has proven herself to be a fantastic team player that has some real ability with the ball. She can bowl a fantastic outswinger and is more than handy with the bat. She also was one of our most reliable fielders. I look forward to next season seeing Caity believe in herself as much as I and the rest of the team do!

### **Ella Ford**

Ella was another first year player to Brewer who did a great job opening the batting and bowling some great spells over the season. She has a never give up attitude and her fielding improved remarkably during the year. A fantastic team player who was a very good calming influence on the field. The only bad thing I can say is that she is a Roosters supporter!!

### **Evy Mckay**

Evy came into our squad a little later than the other girls however she never once looked out of place. She did a fantastic job in taking the gloves and scored some handy runs. Another great team player, I look forward to seeing all of the hard work that Evy put into the season, come through next season.

### **Honor Roberts**

Honor played her first year of Brewer with us this season and was there right from the 1<sup>st</sup> training

session. She can hit a long ball and this is probably due to the fact she plays state level Hockey as well! Honor never once complained or shirked her responsibilities and always put the team first.

### **Molly Taylor**

We were lucky enough to have Molly come and play a few games for the Bears towards to back end of the season. And she fitted in like a glove. She had never played on turf before and she did a splendid job learning in a short space of time how to bat on it. Molly was great in the field and I'm really looking forward to seeing her improvement next season after a full pre-season.

### **Flora Munro**

Flora played a few early games with us in Brewer however due to circumstances, she was unable to complete the season. She showed some real ability with her leg spinners and was more than capable with the bat.

# Poidevin-Gray Shield Report

**Adam Docos**

The 2018/2019 Poidevin-Gray season, was one which showed so much potential but unfortunately didn't lead to the results that we wanted. With a number of games lost with the bat, and an inability to adapt to the shorter formats of the game, we unfortunately didn't score enough runs which lead to the downfall of the team. A number of unavailabilities throughout the season did not help the cause as we were often unable to field a full-strength team. A number of boys, showed some optimistic signs for the season ahead with some strong performances from Jake Hardy, Tim Reynolds, Ben Knox and Fletcher May.

From the batting perspective, some of the season highlights included two fifties from Tim Reynolds, including a bruising 93 against Northern Districts which showed his strength against spin. He took their spinners down for numerous sixes over the pavilion.

Another player with huge potential and talent with the bat was Jake Hardy, who scored an elegant 74 against Randwick-Petersham which lead to our only win for the season. Jake's skill and potential resulted in him gaining selection in a number of first grade games this season, and he will continue to develop into a strong top order batsman in the years to come.

Fletcher May and Ben Knox were our two most consistent bowlers, with both of them finishing the season with ten wickets and averaging 25 and 22 respectively. Both Fletcher and Ben showed great promise for the years to come, and with higher honours ahead of them.

Ultimately at the end of the season we only finished with the one win, but will be looking to better this for the upcoming season with a number of boys returning for the 2019/20 season. 2018/19 will serve as a learning curve and an opportunity for all the PGS players to be able to better themselves as cricketers, and put some promising results on the board.

# **AW Green Shield Report**

**Oliver Knight**

**UTS North Sydney 120 (A Nigul 25)**

**Western Suburbs 148 (B Revai 3/17 S Balbi 3/24 A Cavenor 3/28)**

Round 1 saw UTS North Sydney take on Western Suburbs. Each team was looking to start the season with momentum, and after winning the toss on traditional Tunks pitch, North Sydney sent Wests in, hoping for movement and early wickets. The Bears had them at 2/12 and took wickets at regular intervals as Sol Balbi (3/24 off and Ben Revai (3/17 off 4.2) taking 6 of the top 8. However Wests captain hung around and was dismissed late in the innings as Adam Cavenor (3/28 off 9) took a caught and bowled. All the bowlers chipped in and bowled economically to dismiss West's for 148, especially Tom Druery who's 4 overs went for 6 runs.

The Bears were looking comfortable at 6/103 but West's showed good fights to take the last four wickets for 20. Only 2 batsmen made over 20 (Adi Nigul, 25 and Zac Keogh, 21) which ultimately led to the bears downfall.

**A disappointing loss to the Bears.**

**Eastern Suburbs 9/231(T Druery 3/50 S Balbi 2/30 A Thomas 2/49)**

**UTS North Sydney 94 (A Perera 25)**

UTS North Sydney looked to bounce back after a tough loss against Wests and were sent into the field at Waverley Oval. Toby Laybutt set the tone with an excellent spell of bowling bowling his 10 overs for a wicket and only 18 runs. He was backed up by Tom Druery (3/50 off 10) and Aidan Thomas (2/49 off 7) as the Dolphins threatened to build a large total. Some middle order hitting pushed their score to 9/231, which the Bears thought was chaseable, judging on how flat the pitch seemed.

However after lunch the pitch seemed to jump to life with three players being bowled after the ball nipped back off the seam. An excellent spell of bowling coupled with some questionable decision making meant that the Bears collapsed to 7/42. Ben Revai (21) and Adrian Perera (25) put on a counterattacking partnership that saved the Bears from total humiliation.

**Another frustrating game and the Bears looked forward to the next round.**

**UTS North Sydney 92**

**Hawkesbury 1/93**

The Bears won the toss at Hawkesbury and batted hoping to take some initiative and put runs on the board early after two losses chasing. Unfortunately once again the Bears lost regular wickets and couldn't build a big partnership. Zac Keogh scored 15 off 64 as the ball was turning square and Aidan Thomas scored a busy 18 off 26. Unluckily after lunch the pitch baked and became a batsmen's paradise, as Hawkesbury did it easy chasing the score of 92 1 down. The Bears looked like a comeback win for fleeting moments but the dropped catches killed the game off for us.

**We had a break for Christmas and the New Year hoping that we could get our first win in the board next round.**

**Sutherland 9/100 (S Balbi 4/16 A Cavenor 3/11 B Revai 2/1)**

**UTS North Sydney 6/87 (A Nigul 31)**

UTS North Sydney got their first win of the season against Sutherland as they got sent into the field by Sutherland, backing their strong top order to score runs at Tunks.

It was a dream start for the Bears as Sol Balbi took a wicket in the first ball of the game. Balbi (4/16 off 10) and Ben Revai (2/11 off 10) ripped Sutherland's top order apart and took 5 of the top 6 for a combined

2 runs between them. Adam Cavenor bowled first change and took 3/11 off his 10, taking a dream left arm orthodox wicket, with Hunter Jackson-Sullivan taking a smart catch at first slip. The Bears has the Sharks 9/30 but as the pitch flattened out the last wicket put on a 70 run unbeaten stand finishing at 9/100.

UTS North Sydney looked to have the game dead and buried with Adi Nigul scoring 31 until we chased a bonus point, almost falling on our own sword in the process. A large storm hit an we were forced to call the game, UTS North Sydney winning by Duckworth-Lewis.

Northern District 8/236 (A Cavenor 3/33)  
UTS North Sydney 64 (A Nigul 30)

After a confidence boosting win, UTS North Sydney were sent in on a second day wicket at Mark Taylor Oval. The day started roughly with a big first over but the Bears held on to stray in contention with Adam Cavenor taking 3/33 off his 10. At 5/117 the Bears felt that one or two more wickets had us right in it, but unfortunately some enormous lower order hitting meant that the Rangers got to 8/236, with captain Cavenor forced to use 9 different bowlers.

Another frustrating collapse meant that the Bears were bundled out of Finals Contention, being dismissed for 64 with only Adi Nigul (30) making it into double figures.

UTS North Sydney 9/200 (A Cavenor 54 A Nigul 26)  
Penrith 2/201

Another great day at Tunks as UTS North Sydney was sent in by a strong Penrith team, hoping to roll the Bears after looking at our previous performances with the bat. However we started well at 1/55 after 10 and looked good until we lost 3 quick wickets. Adam Cavenor scored his, and the team's only 50 of the season, scoring 54 in a 79 run partnership with Yousuf Ali (17). The Bears made a very respectable score of 9/200 but felt we could have made a few more as we lost 3/4 looking for runs at the death.

However Penrith batted extremely well, winning the game by 8 wickets with their opener making an excellent 111, although the game may have been very different if we took our catches and fielded better.

UTS North Sydney 129 (A Nigul 32)  
St George 2/130

UTS North Sydney played St George in the last game of the season and batted first. Once again Adi Nigul was the only player to pass 20 as his 32, with Tom Osborn's quick 19 and Ben Revai's busy 14 off 18, meant the Bears scored 129.

Unfortunately the Bears couldn't take early wickets and coupled with poor fielding slumped to a 8 wicket loss to a quality St George team.
